

**FACULTY POSITION
IN
Business Administration (Health Administration)**

Belhaven University, a Christian university committed to the ministry of integrating faith and learning, is searching for the ideal candidate for a Business Administration professor with credentials in Health Administration who has a heart for students and for Christ Jesus at the Memphis, Tennessee campus.

Responsibilities

Responsibilities include teaching undergraduate and graduate Business and Health Administration students in classroom and online environments. In addition to Health Administration, the ability to teach in human resource management and other business/management graduate courses would be helpful to a candidate. Additional responsibilities include providing academic advising and mentoring research projects.

Qualifications

Doctor of Health Administration required, or Doctor in Business Administration with at least 18 graduate hours in Health Administration. Executive experience in a health care setting is also required. The candidate must also show a commitment to ministering to students in their lives, academics and careers.

The successful candidate must articulate a Christian worldview in one's teaching and academic discipline and fully support the University Vision, Mission, and Statement of Faith (<http://www.belhaven.edu/Belhaven/mission.htm>).
