

Our financial aid programs are generated from the basic premise that college costs are primarily a family responsibility, but our merit-based and need-based assistance in partnership with the family can assist with expenses. These are limited descriptions of scholarships and financial aid available to traditional undergraduate students. Most require full-time enrollment.

Academic Scholarships and Grants

Belhaven Scholarship	Based on high school or college academic performance and determined upon application to the college. Awards are renewed each year with a 2.0 cumulative GPA. Amount varies.
Belhaven Grant	Based on high school or college academic performance and determined upon application to the college. Awards are renewed each year with a 2.0 cumulative GPA. Amount varies.
