Belhaven College to Host Wildlife Photographer Stephen Kirkpatrick Sept. 12

JACKSON, Miss. (Aug. 27, 2003) — The Belhaven College department of biology will host local master wildlife and nature photographer Stephen Kirkpatrick at 2 p.m. Friday, Sept. 12, in Barber Auditorium on the Belhaven campus. His presentation will be followed by a reception and book signing.

Kirkpatrick will give a multi-media presentation on the Amazon Rain Forest entitled “Romancing the Rain,” which showcases the Amazon’s exotic plants, animals, birds and reptiles, and recounts Kirkpatrick’s adventures in its treacherous jungles. “Romancing the Rain” is the result of nine years’ work in the Amazon.

Kirkpatrick’s books include *Romancing the Rain: A Photographic Journey into the Heart of the Amazon*, *Wilder Mississippi*, *To Catch the Wind* and *Wild Mississippi*.

This presentation is the first of the Belhaven College biology department’s 2003 fall seminar series. For more information, please call (601) 968-5930 or (601) 968-5964.

Belhaven College is a Christian liberal arts college with campuses in Jackson, Miss., Memphis, Tenn., and Orlando, Fla. The vision of Belhaven College is to prepare men and women academically and spiritually to serve Christ Jesus in their careers, in human relationships and in the world of ideas.
