## **NURSING CLINICAL INSTRUCTORS for Acute Care, Medical Surgical Nursing, and Reproductive Health in School of Nursing**

Belhaven University, a vibrant Christ-centered academic community committed to the ministry of integrating faith and learning, is searching for the ideal candidates for Clinical Instructors in Nursing who have a heart for Christ Jesus and students at the Jackson, Mississippi campus.

### **Responsibilities**

Clinical Instructors are registered nurses who serve as members of an instructional team under the leadership of a senior course faculty or course coordinator to ensure that the standards and quality of the nursing curricula are met and maintained. The clinical instructor plans and supervises the clinical laboratory practice for an assigned group of nursing students assuring that each student is exposed to a prescribed number and variety of learning situations that meet specific course objectives and are appropriate for their level of achievement. The typical work schedule is a maximum of 29 hours per week and clinical rotations are scheduled for Thursdays and Fridays.

### **Qualifications**

- Master's or higher degree with a major in nursing and a clinical focus, specialty certification or practice experience: currently we are recruiting only for medical-surgical nursing and reproductive health (labor & delivery, post-partum and newborn nursery).
- Possess and maintain a current, unencumbered RN license to practice in Mississippi with no pending legal or State Board of Nursing actions.
- Clinical experience - at least one year of clinical experience providing direct patient care in medical-surgical nursing or reproductive health (labor & delivery, post-partum and/or newborn nursery).
- Must satisfy a criminal history background check and pass a drug screening test.
- Evidence of current American Heart Association BLS training.
- Evidence of yearly tuberculosis screening tests and other required immunizations and laboratory results as per nursing program policy and/or agency requirements.
- Complete all required clinical agency and nursing program training including; but, not limited to electronic health records, HIPAA, blood-borne pathogens, tuberculosis precautions, and infection control.
- Be familiar and comply with clinical agency policies and procedures.

Applicants must be able to fully support the [University vision, mission and statement of faith](#), and contribute to the spiritual and academic fellowship of the university.

### **Application Guidelines**

Please submit your CV/resume and cover letter outlining your suitability for this position including an explanation of your interest in Christian higher education. Compensation is commensurate with qualifications and experience. Review of applications will begin immediately and continue until the position is filled. Confidential questions and nominations may be submitted to:
