Process for Making International Student Payments

1. Log in to your student account via Blazenet and click on the TransferMate payment link (left-hand side of your account home screen)
2. Choose the country you're paying from and your preferred payment method
3. Complete payer details and set up an account
4. Make your payment with the provided instructions
5. Track your payment throughout the process

Benefits of paying with TransferMate

- Peace of mind that your payment will be received in full and on time
- Rates are held for 48 hours so you have complete visibility of the amount you will pay
- Ability to track your transaction throughout the payment process
- No need to worry about exchange rates fluctuations
- 24-7 customer support

This method of payment replaces direct wires and ACH transactions.
