

Adjunct Faculty – Data Science/Artificial Intelligence

School of Business, Belhaven University

The Belhaven University School of Business invites applications for **Adjunct Faculty in Data Science/Artificial Intelligence** to teach in our graduate programs.

Position Overview

We are seeking highly qualified instructors with both academic preparation and applied experience in data science, artificial intelligence, analytics, or related fields. Adjunct faculty play a vital role in equipping students with the skills to leverage data for effective decision-making in business, government, and non-profit contexts. Courses may include topics such as Python for Data Science, SQL, Machine Learning, Predictive Analytics, or Executive courses in Artificial Intelligence Applications.

Qualifications

- Doctoral degree in Data Science, Computer Science, Business Analytics, Statistics, or a closely related discipline (doctoral degree preferred). An out-of-field doctorate with an appropriate master's degree will also be considered.
- Professional experience applying data science or analytics in business, technology, healthcare, or related industries.
- Demonstrated proficiency with tools such as Python, R, SQL, and/or cloud-based analytics platforms.
- Previous teaching or training experience strongly preferred.
- The successful candidate must articulate a Christian worldview in one's area of service and must fully support the University [Vision, Mission and Statement of Faith](#).

Responsibilities

- Facilitate assigned online courses in data science or applied artificial intelligence at the graduate level.
- Provide timely feedback and academic support to students.
- Uphold academic rigor while fostering a supportive learning environment.

Application Process

Interested candidates should submit:

- Cover letter highlighting teaching and professional experience.
- Current curriculum vitae.
- Please prepare a brief account (no more than 750 words) of your spiritual pilgrimage including the time and circumstances surrounding your becoming a believer in Christ and your current relationship with Christ. Please click on this link: http://www.belhaven.edu/belhaven/employment_pdfs/LetterOfEmploymentCommitment.pdf to review Belhaven University's Commitment Statement including our

employee expectations. Should you receive a job offer, you will be asked to sign accepting this commitment.

- Contact information for three professional references.

Submit all application materials to:

Dr. Brett Andrews
Dean for School of Business
