DEPARTMENT OF MUSIC MISSION STATEMENT

The Music Department seeks to produce transformational leaders in the musical arts who will have profound influence in homes, churches, private studios, educational institutions, and on the concert stage. While developing the God-bestowed musical talents of music majors, minors, and elective students, we seek to provide an integrative understanding of the musical arts from a Christian world and life view in order to equip students to influence the world of ideas. The music major degree program is designed to prepare students for graduate study while equipping them for vocational roles in performance, church music, and education. The Belhaven University Music Department exists to multiply Christian leaders who demonstrate unquestionable excellence in the musical arts and apply timeless truths in every aspect of their artistic discipline.

The Music Department would like to thank our many community partners for their support of Christian Arts Education at Belhaven University through their advertising in "Arts Ablaze 2013-2014." It is through these and other wonderful relationships in the greater Jackson community that makes many of our concerts possible at Belhaven. We praise God for our friends and are truly thankful for their generosity. Please mention The Arts at Belhaven University when you visit our community partners.
